

TO WHOM IT MAY CONCERN

My Name is Lana White and I'm the Chief of Customer Relations and Human Resource at List Building Lifestyle. I'm pleased to introduce and recommend Jelilat Olabisi whom I have supervised for the past 12 months. During this time, I have been consistently impressed by her dedication to tasks and readiness to adapt to new and appropriate situations.

Jelilat has shown a high level of expertise in Customer support as well as content writing tasks. She works professionally and handles difficult situations with ease.

I recommend her for any role she's applying to in your company as she has proved to be a very fast learner who pays great attention to detail and works under little or no supervision.

I'll be glad to give any further account of her moral and professional conduct if required of me.

Thanks.
